

DITTON MANOR

ROYAL BERKSHIRE

CELEBRATE CHRISTMAS WHERE HISTORY COMES ALIVE

There's something undeniably magical about Christmas at Ditton Manor.

Set within 65 acres of secluded grounds, and wrapped in the elegance of a Grade II listed manor, Ditton Manor becomes even more enchanting as the festive season unfolds.

Twinkling lights line the historic courtyard, every corner feels like a scene from a classic Christmas novel.

But beyond the warmth and wonder lies something more profound, a sense of timelessness.

This is a place where noblemen once toasted victories, where the laughter of royal courtiers echoed through stone and wooden corridors, and where tales of invention, romance and rebellion unfolded behind ancient doors.

As your guests gather, they step into that living history, and become part of it.
